Martes
¡EXPERIMENT WEEK! Choose one of the two experiments and do it at home with your family, they are very easy and fun to do. We are reinforcing “the states of the matter”. For this homework, besides doing the experiment at home I will need proof. That's why I need you to take a picture of you doing the activity and paste it on your notebook. Notes: • I will send the links to the group. • This assignment is due on Monday.
